

## Rebates

Below are information summaries and links for Ravalli Electric Co-op's Rebate Programs

### Air Source Heat Pump Rebate

Ravalli Electric Co-op will pay you the following rebate if you purchase and install a qualifying model in an existing home or new construction.

#### Existing home:

- Ducts outside the conditioned space: \$1,730
- Ducts inside the conditioned space: \$780

#### New Construction:

- Ducts outside the conditioned space: \$2,600
- Ducts inside the conditioned space: \$1,020

#### Here's how to qualify for the rebate:

- Purchase an Air Source Heat Pump from our approved installer list. Note: Look for a Heating Season Performance Factor (HSPF) of 8.5 or higher and seasonal energy efficiency Rating (SEER) of 14.0 or higher. Be sure all specifications on the rebate form are met.
- Install the system in our service territory.
- Read the information on Air Source Heat Pumps, fill out the rebate form and mail to: Ravalli County Electric Cooperative, 1051 Eastside Hwy Corvallis, Montana 59828-0190.
- Attach a copy of the invoice listing the manufacturer (brand name).
- Have your installer sign this form verifying that it meets the specifications above.

Your rebate check, made out according to the rebate form, will be mailed within four weeks. Thank you for your participation in this important program.

### Ground Source Heat Pump Rebate

Ravalli Electric Co-op will pay you a \$3,000 rebate if you purchase and install a qualifying model in an existing home or new construction.

Here's how to qualify for the rebate:

- Purchase a Ground Source Heat Pump from our approved installer list.
- Install the system in our service territory.
- Read the information on Ground Source Heat Pumps, fill out the rebate form and mail to: Ravalli County Electric Cooperative, 1051 Eastside Hwy Corvallis, Montana 59828-0190
- Attach a copy of the invoice listing the manufacturer (brand name).
- Have your installer sign this form verifying that it meets the specifications above.

Your rebate check, made out according to the rebate form, will be mailed within four weeks. Thank you for your participation in this important program.

#### Ductless Heat Pump Rebate

Ravalli Electric Co-op is participating in a pilot program that promotes the installation of ductless heat pumps in existing electrically heated homes. For information contact REC or go to: [www.goingductless.com](http://www.goingductless.com)

#### ENERGY STAR Appliance Rebate

Ravalli Electric Co-op will pay you a rebate if you purchase and install the following ENERGY STAR rated model appliances.

- Clothes Washer (MEF 1.80) - \$25.00 (Purchased on or after January 1, 2007)
- Refrigerator - \$25.00 (Purchased on or after January 1, 2007)
- Freezer - \$25.00 (Purchased on or after January 1, 2007)
- Dishwasher - \$25.00 (Purchased on or after January 1, 2007)

If you have difficulty locating a qualifying model, call the Co-op office at 406-961-3001.

Here's how to qualify for the rebate:

- Purchase a qualifying model. Note: Look for the ENERGY STAR rating. Call the Co-op if there are any questions.

- Install the machine in our service territory.
- Fill out the rebate form. (PDF)
- Attach a copy of the purchase invoice listing the manufacturer (brand name) and model number of the machine.

A credit will be applied to the account number you designate within 2 to 3 weeks.

#### Electric Water Heater Rebate

Ravalli Electric Co-op will pay you a \$50 rebate if you purchase and install a high efficiency model. If you have difficulty locating a qualifying model, call the Co-op office at 406-961-3001.

Here's how to qualify for the rebate:

- Purchase a qualifying model. Note: Look for a .93 (or higher) energy factor for 60 gallons or less, and a .91 energy factor for 61 gallons or over. Call the Co-op if there are any questions.
- Install the tank in our service territory.
- Fill out the rebate form and mail to: Ravalli County Electric Cooperative, 1051 Eastside Hwy Corvallis, Montana 59828-0190.
- Attach a copy of the purchase invoice listing the manufacturer (brand name) and model number of the tank.

A credit will be applied to the account you designate within 2 to 3 weeks. Thank you for your participation in this important program.

#### "Montana Home" Construction Package

Owner/Builders of new electrically heated homes built to the Montana Home specifications will receive an incentive upon completion of construction. Interested parties must:

- Have an initial consultation with REC staff for review and approve plans.
- Sign a Montana Home Agreement.
- Obtain the appropriate progress inspections.

Contact Jim Maunder at 961-3001 for more information.
